SENATE
S.B. No. 1007

Introduced by SEN. WIN GATCHALIAN

AN ACT
MANDATING AN ACCIDENT AND LIFE INSURANCE COVERAGE FOR
CONSTRUCTION WORKERS

EXPLANATORY NOTE

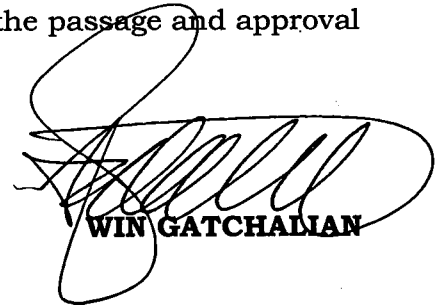

Section 3, Article XIII of the 1987 Constitution provides that *"The State shall afford full protection to labor, local and overseas, organized and unorganized, and promote full employment opportunities for all."* It is therefore the duty of Congress to legislate laws that will ensure the health and well-being of workers.

The State recognizes the hazardous environment where construction workers ply their craft. News of accidents is nothing new in construction sites, either through the negligence of the employer or the employee's lack of skill. Whatever the case, physical harm, disability, or worst, death is often the result.

Unfortunately, it is almost always the workers that are left short-handed after the occurrence of such accidents. Oftentimes, the employer merely offers a measly sum to the family of the deceased worker to compensate for their loss. To avoid such a disastrous state, it is the intent of this bill to provide group personal accident insurance coverage for construction workers. The insurance coverage shall compensate a reasonable amount for an accident that will cause the disability or the death of the

worker. This may not completely erase the pain, but it surely will not hurt to alleviate the loss.

In the interest of social justice and equity, support for the passage and approval of this legislation is earnestly sought.
